ORAL ORDER
(Passed on 5th April, 2006)

The dispute brought before the Court relates to the question whether the petitioner has encroached the Bhoomiswami land granted to the first respondent. All the authorities under the Land Revenue Code up to the level of Board of Revenue have recorded concurrent factual finding that the petitioner encroached the Bhoomiswami land of the first respondent.

(2) Having heard the learned counsel for the petitioner, it could not be said that the factual finding recorded by all the authorities under the

105

Land Revenue Code is perverse for want of legal evidence. It is needless to state that this Court cannot go into the question sufficiency of evidence on the basis of which the statutory authorities have recorded factual findings. The writ petition is devoid of merit and it is accordingly dismissed. No costs.
